## Description

EE WAS ON STD AND STATED THAT SHE WAS DENIED AND PLACED ON LOA. SHE MADE AN APPEAL AND NOW WANTS TO APPLY FOR EML. REQUESTED FORM.

## Problem Result

## ADVISE:

"If your STD has been approved and you're eligible for EML, then EML would be automatically medically approved; there is no need to apply. However, if your STD is denied, you can apply for EML protection. Your supervisor determines your eligibility and acknowledges your EML time. The form is located on the AHR Intranet [EML Form]."
